RAPTOR PHISHING
PREVENTION SERVICES

Every organization as well as their employees should be knowledgeable about how to spot phishing emails and how to prevent attacks. Many organizations already incorporate mandatory and regulatory requirements for phishing training such as NIST SP 800-171 and SP 800-53 Awareness and Training Control Families.

RAPTOR PHISHING HOTLINE

Have a question about an email? Is it categorized incorrectly or is it even a scam? Raptor Phishing Hotline quickly and effectively provides expert guidance to keep your organization safe.

RAPTOR PHISH TESTING

Do you need to test your users to better understand security risks? PCCC's Phishing Testing offerings are effective and customized for each client while designed to avoid making users feel foolish or overconfident.

RAPTOR RETAINERS

Raptor Retainers guarantee a response time of no more than 1 business day anywhere in the world in the event of a cybersecurity incident to provide resources and expedite your recovery.

RAPTOR REMARKS

Raptor Remarks is an add-on for Raptor Email Security that constantly alerts and educates users about threats in email including zero day threats, malware, and user impersonations.

RAPTOR CONTINUITY

Raptor Continuity is an add-on for Raptor Email Security to mirror your mail on our servers to provide business continuity in the event of a cyber attack or other email outage.

RAPTOR TRAINING

Raptor Training Courses are always up to date, tailored for each client, and leverage our extensive catalog of materials. ourses include phishing prevention, social media awareness, and security rules using a fun and engaging format.

RAPTOR INCIDENT RESPONSE

If you experience a cyber incident, PCCC is available 24/7/365 to calmly guide you through the business, technical, and public-relations challenges using trusted, experienced, and discrete resources.

RAPTOR EMAIL SECURITY

Tired of losing emails? Too much phishing, spam, and malware in your inbox? Raptor Email Security is an industry-leading, cloud-based solution operated by world-recognized experts to stop spam, phishing, and malware attacks.

PCCC can guide businesses in their phishing prevention and training.
